

FIRM PROFILE

Welcome to IPC Legal Advocates:

IPC Legal Advocates initially started as TANLAW ASSOCIATES in 2011 but assumed its current name in the year 2014. We began as purely conveyancing legal practitioners with a number of corporate clients but have since then grown into a number of practicing departments. We provide a comprehensive range of legal services for both domestic and international clients. We have such a reputation as one of the fastest growing mid-size law office in Tanzania with international and cross border works forming part of our business.

Our clients are private, public, local and international companies with a range of business fields such as Banking and Financial services, Development finance, Construction, Fish processing, mining, tourism, NGOs, telecommunications, agriculture and project and lease financing. We handle clients with high integrity and reputation in their fields of services and we strive to maintain our clients' status

We believe upon knocking on our doors your business will advance based on the legal protection you will get from our services

Vision

To become the leading legal Practitioners of reference in our areas of specialty

Mission Statement

To render professional, efficient and personalized legal services to our clients whilst maintaining the highest standard of excellence, **integrity**, **prudence** and **commitment** hence the name IPC.

Our Credo

To serve professionally and efficiently to our client's satisfaction

Scope of Services and Experience

IPC Legal renders professional legal services in multifaceted civil disciplines whilst being mindful of client's commercial and social interest at stake.

- **Business Establishments**

IPC Legal Advocates have a vast experience in business establishment in Tanzania. We advise clients on several business set up options ranging from Limited Liability Companies (including but not limited to registering such companies with EPZA and TIC), setting up branch offices to forming Partnerships and sole proprietorship businesses. We advise extensively on the setting up of trusts, societies and non-for-profit entities

- **Conveyancing and Property law**

IPC Legal have a solid track record in conveyancing Practice. We boast the expertise of our team of lawyers and their accumulated exposure in creating and advising on security documentation and perfection such as debentures, charges, mortgages and loan agreements for banks, financial institutions, micro-financing institutions and lending companies, transfer of property and real estate rights' transactions and the tax avenues involved, real estate developments for local and foreign investors and long-term leases for developments among others

- **Commercial and business law**

IPC Legal, by virtue of our legal expertise, have consistently committed ourselves to creatively and efficiently providing the full range of commercial law services and solutions for our corporate and business clients (both local and foreign)

We have been engaged in preparation of a wide range of Local and International commercial agreements that suit clients' needs, advising on structuring of local and international companies. We also undertake due diligence for local and international investors.

- **Tort and insurance**

At IPC Legal we prosecute and defend Tortious and Insurance claims, debt collections and premiums. We provide legal opinions on various insurance aspects.

- **Recoveries, Security realization and civil litigation**

IPC Legal's most successful litigation has been in the area of debt recoveries and security realization for our corporate clients, especially banks, micro finance institutions and lending companies. We continue to maintain strong presence in courts and tribunals in the United Republic of Tanzania while endeavoring to continue adopting a determined, creative and strategic approach towards clients' litigations in this aspect.

- **Labour and Employment**

IPC Legal has, for the time we have been in the field, developed significant experience in advising clients on Employment, labour and HUMAN Resource management issues, representing them in negotiations, mediation and litigation where necessary. The firm also provides continuous in-House training on this area where contracted.

- **Alternative Dispute Resolution**

In line with global developments, IPC Legal is committed to ADR with a specific focus on mediation. To show our commitment to this cheap and time-serving mode of dispute resolution, we have a special unit dedicated to taking care of our clients' Alternative Dispute Resolution strategies. We strive to facilitate expeditious resolution of disputes while maintaining and promoting our clients' business relationships involved

Other areas of practice:

- Intellectual Property Law
- International Trade
- Tax Law
- Insurance Law
